

Proposal to change Rule 16

In developing and implementing new online booking system it has become apparent that rule no 16 needs to be amended.

I propose that Rule 16 be amended from:

The receipt by the Rally Marshal, of the rally slip at least ten working days prior to the Rally shall be a pre-requisite to the supply of Rally Plaques and newspaper to a member. No member shall be entitled to a Rally Plaque unless he attends the Rally with his caravan, and the caravan is occupied for at least one night.

To:

To obtain a Rally Plaque member will need to book at least 10 days before the Rally commences and ensure that the option for a plaque is ticked on the Online Booking System.

Those booking during the 10-day window will NOT receive a plaque even if they tick the box.

No Rallier shall be entitled to a Rally Plaque unless they attend the Rally with their caravan or motorhome and is occupied for at least one night. No plaques will be issued during 2021 due to covid19.
